Conference Notice

I Conference Introduction

Sponsored by IEEE and IEEE Electron Devices Society, ISNE is devoted to making theoretical and technical progress in the electronic industry. Applications regarding new semiconductor materials, advanced microelectronic circuits and systems, photonic devices, MEMS, nanotechnology, THz, and micromachining technology, etc., are deeply involved with biomedical engineering, 5G communication, astronautic industry and energy science. ISNE 2019 will provide a platform for scientists to share novelties and latest scientific achievements.

II Conference Sponsors

A Technical Sponsor

IEEE Electron Devices Society

B Main Sponsors

IEEE Electron Devices Society Xi'an Chapter

School of Information Engineering, Zhengzhou University

School of Physics and Engineering, Zhengzhou University

C Industry Sponsors
