Matter and Radiation at Extreme

<https://mre.aip.org>

ICMRE 2020

The 5th International Conference on Matter and Radiation at Extremes

May 25-29, 2020

Xi'an, China

Satellite workshops

Kinetic effects and magnetic fields in high-energy density physics (May 25, 2020, Xi'an)

Frontier on tens petawatt laser plasma physics (May 30, 2020, Xi'an)

Chairs

General Chairs: Weiyang ZHANG
Jean-Luc Miquel

Local Chairs: Jianguo Wang
Shixian Qu

International Technical Committee Chair:
Stefan Weber

Topics

- Fundamental Physics at Extremes
- Laser and Particle Beam Fusion
- Magnetic Confinement/Driven Fusion
- High Energy Density Physics

Hosts

Institute of Applied Physics and Computational Mathematics, CN

Shaanxi Normal University, CN

Important Dates

- Abstract submission deadline:
February 29, 2020

Co-Hosts

Institute of Fluid Physics, China Academy of Engineering Physics, CN

Laser Fusion Research Center, China Academy of Engineering Physics, CN
