Dear MR/DR/Prof. \_\_\_\_\_

We are pleased to inform you that your paper entitled “\_\_\_\_\_” has been accepted to present as a full paper at The 2019 International Conference on Virtual Reality and Visualization (ICVRV 2019), which will take place from **Thursday, 21 November to Friday, 22 November, 2019** at **Chow Yei Ching Building, the University of Hong Kong**. You are kindly invited to attend the Conference and to demonstrate your excellent research. *(We are pleased to invite you to (give a keynote speech at) “The 2019 International Conference on Virtual Reality and Visualization (ICVRV 2019)”, which will take place Thursday, 21 November to Friday, 22 November, 2019 at Chow Yei Ching Building, the University of Hong Kong, China.)*

This ICVRV 2019, jointly organized by University of Hong Kong, Peng Cheng Laboratory and State Key Laboratory of Virtual Reality Technology and Systems, is a mainstream international academic conference in Virtual Reality and Visualization. ICVRV is hosted by IEEE Computer Society, CCF, CSIG and CSF. VR/AR/MR allows the creation of fascinating new types of user interfaces and shows a significant impact on industry and society. The field is highly interdisciplinary, bringing together signal processing, computer vision, computer graphics, user interfaces, human factors, wearable computing, mobile computing, computer networks, displays, and sensors. VR/AR/MR concepts are highly applicable to a wide range of engineering products.

This letter is to support your application for a China visa to attend the ICVRV 2019 Conference. Please note that all travel, accommodation and insurance costs must be paid by yourself *(We will cover your travel, accommodation and insurance costs)*. More details can be found by clicking: <http://www.icvr.org>.

Looking forward to seeing you in Hong Kong.

Sincerely yours,

Prof. Zhao Qinping

General Chair of the ICVRV 2019 Conference
