

International Conference on Energy, Resources, Environment and Sustainable Development

(ERESD 2019)

May 31- June 3, 2019

Xuzhou, China

Second Announcement

As an important part of academic activities for the 110th Anniversary of China University of Mining and Technology (CUMT), the 2019 International Conference on Energy, Resources, Environment and Sustainable Development (ERESD2019) will be held on May 31- June 3, 2019 in Xuzhou, Jiangsu Province. The conference will focus on 6 topics which closely relate to all aspects of energy, resources, environment and sustainable development. The ERESD committees kindly invite you to submit papers and attend this important event in Xuzhou.

Theme: Energy, Resources, Environment and Sustainable Development

Hosts: China University of Mining and Technology
China Coal Society

Venue: Crowne Plaza Xuzhou Dalong Lake

General Chair: Prof. Xuefeng SONG, President of CUMT

1. Consultative Committee

Qingquan	Academician of Chinese Academy of Engineering;
CHEN	Academician of Hong Kong Academy of Engineering Sciences
Yitai QIAN	Academician of Chinese Academy of Engineering; Professor of University of Science and Technology of China
Liang YUAN	Academician of Chinese Academy of Engineering; President of Anhui University Of Science and Technology

Meifeng CAI	Academician of Chinese Academy of Engineering; Professor of University Of Science and Technology Beijing
Manchao HE	Academician of Chinese Academy of Engineering; Professor of China University of Mining and Technology, Beijing
Hongpu KANG	Academician of Chinese Academy of Engineering; Chief Scientist of China Coal Technology & Engineering Group
Guofa WANG	Academician of Chinese Academy of Engineering; Chief Scientist of China Coal Technology & Engineering Group
Akihisa Inoue	Academician of National Academy of Engineering; Former president of Tohoku University, Japan
Sergey A. Grinshpun	Director of Center for Health-related Aerosol Studies, University of Cincinnati, USA
Kefei ZHANG	Professor of RMIT University, Australia
Ying FAN	Professor and Dean of School of Economics and Management, Beihang University
Xiaoguang YANG	Researcher of Academy of Mathematics And Systems Science, Chinese Academy of Sciences
Yuemin ZHAO	Professor; Vice President of China University of Mining and Technology
Deming WANG	Professor of School of Safety of Engineering, China University of Mining and Technology

2. Organizing committee

Chair:

Prof. Zhengfu BIAN, Vice President of China University of Mining and Technology

Members:

Feng LIU	Director and Senior Engineer of China Coal Society
Zhonglin WANG	Foreign Member of Chinese Academy of Sciences; Profess of Georgia Institute of Technology, USA
Yue ZHANG	Professor and Former Vice President of University of Science and Technology Beijing
Sam Spearing	Professor of Curtin University, Australia
Guijian LIU	Professor of University of Science and Technology of China
Fred Cawood	Professor and Director of Wits Mining Institute, University of the Witwatersrand, South Africa
Quansheng LI	Director and Senior Engineer of Project 2030 Office, China Energy Investment Corporation Limited
PeterMSchwarz	Professor of University of North Carolina Charlotte, USA
Shouyang WANG	Professor of University of Chinese Academy of Sciences
Serkan Saydam	Professor of the University of New South Wales, Australia
Xianping TAO	Professor of Nanjing University
David Yao	Academician of National Academy of Engineering, USA; Professor of Columbia University in the City of New York
Zhijie CHEN	Professor of National Taiwan University
Zhenkang ZHANG	Director of the International Office, China University of Mining and Technology
Xianfeng JIAO	Deputy Director of Office for Domestic Cooperation and Development, China University of Mining and Technology
Song QU	Vice Dean of Academy of Science & Technology, China University of Mining and Technology

Liang CHEN	Deputy Director of the International Office, China University of Mining and Technology
---------------	---

3. Program Topics and Session Co-chairs

NO.	Program Topics	Chinese Session Co-Chairs (CUMT)	Chinese Session Co-Chairs	International Session Co-Chairs
1	Energy Science and Technology	Chuwen GUO , Peizhong FENG	Yue ZHANG	Zhonglin WANG
2	Resources Development and Utilization	Jixiong ZHANG, Shifeng DAI , Hesheng YU	GuijianLIU	Sam Spearing
3	Environmental Science and Engineering	Zhenqi HU, Qiyang FENG	Quansheng LI	Fred Cawood
4	Sustainable Energy and Green Development	Xuefeng SONG , Hong CHEN	Shouyang WANG	Peter M Schwarz
5	Intelligent Equipment and Technology	Zhongbin WANG, Hao CHEN	Xianping TAO	Serkan Saydam
6	Occupational Health and Safety	Fubao ZHOU, Hong CHEN	Zhijie CHEN	David Yao

4.Registration and charges

1) Registration

This notice applies to overseas representatives only. Registration should be done on-line through the conference website. Credentials will be required for student representatives when registering online.

	Early Bird Registration (On or before May 15, 2019)	Regular and on-site Registration (After May 15, 2019)
General Representatives	US\$ 380	US\$ 450
Student Representatives	US\$ 180	US\$ 220
Note: Registration fee includes food and beverage during the conference, but does not include accommodation.		

2) Payment and hotel reservation

(1) Pay the registration fee on-line through the conference official website. Follow the website guidance to complete registration as well as invoice application.

(2) The conference official website is the only platform for online payment. Please contact the conference staff or pay in person on site if it can't be done online.

(3) Hotel reservation service is available on the conference website. Please book your accommodation prior to arrival.
